

## Strategic Directions

Over the next three years we will enact our Purpose in a way that reflects our Values by focusing on the following four areas:

### **A FOCUS ON SERVICE**

Enhance the safety, permanency, and well-being for children, youth and families.

### **A FOCUS ON PEOPLE**

Build a team that has the relationships, skills and support it needs to be engaged in their work and perform exceptionally.

### **A FOCUS ON ORGANIZATION DEVELOPMENT**

Build capacity by ensuring staff have the tools and systems to deliver services effectively and efficiently.

### **A FOCUS ON PARTNERSHIPS**

Strengthen our relationships with our community partners, care providers, and other stakeholders.
