

## **Our Vision**

Communities in which children, youth and families thrive.

## **Our Purpose**

To work together with families, community partners, and colleagues to enhance the safety and wellbeing of children, youth and families.

## **Our Core Values**

We will honour a deep commitment to anti-oppressive practice through:

### **Integrity**

... demonstrating transparency, respect, trust, and authenticity.

### **Safety and Wellbeing**

... supporting the physical, emotional, spiritual and psychological safety and wellbeing of children, youth, families and staff.

### **Professionalism**

...demonstrating accountability for our actions and attitudes through effective use of resources and quality outcomes in a spirit of continuous learning.

### **Collaboration**

... working effectively with each other and our partners to deliver client-centred services in the belief that we are better together.

### **Open Communication**

... ensuring that individuals have input into decisions that affect them, are listened to respectfully and given timely feedback.

### **Social Justice**

... recognizing injustices and working hard to reduce them in a spirit of reconciliation.
