Independent Auditor's Report

To the Board of Directors of Simcoe Muskoka Child, Youth and Family Services:

Opinion

We have audited the financial statements of Simcoe Muskoka Child, Youth and Family Services (the "organization"), which comprise the statement of financial position as at March 31, 2023, and the statements of revenues and expenses, changes in net assets (deficit), remeasurement gains and losses and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2023 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances, but not for the purpose
 of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Simcoe Muskoka Child, Youth and Family Services Summary of Significant Accounting Policies

March 31, 2023

Management's Responsibility for the Financial Statements

The financial statements of Simcoe Muskoka Child, Youth and Family Services (the "organization") are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards for not-for-profit organizations as established by the Public Sector Accounting Board.

Nature of Organization

Simcoe Muskoka Child, Youth and Family Services is incorporated under the laws of Ontario as a corporation without share capital. The organization is responsible for the care and protection of children in the County of Simcoe and the Muskoka region as set out under the provisions of Child, Youth and Family Services Act, 2017.

The organization is not subject to federal or provincial income taxes pursuant to exemptions accorded to charitable organizations in the income tax legislation.

Basis of Accounting

These financial statements have been prepared using Canadian public sector accounting standards for not-for-profit organizations.

Revenue Recognition

The organization follows the deferral method of accounting for contributions which includes grants and government subsidies.

Operating revenue, including grants, subsidies, fees from other societies, rent and others are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of revenue relates to a future period, it is deferred and recognized in that future period.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis at a rate corresponding with the amortization rate for the asset.

Contributions to be permanently maintained as an endowment are recognized as a direct increase in net assets.

Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The principal estimates used in the preparation of these financial statements are the estimated useful life of capital assets, compensated absences liability and the fair value of financial instruments. Actual results could differ from management's best estimates as additional information becomes available in the future.

Financial Instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any unrealized gains and losses reported in the statement of remeasurement gains and losses. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items remeasured at fair value at each balance sheet date and charged to the financial instrument for those measured at amortized cost.

Capital Assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Where fair value cannot be reasonably determined, contributed assets are recorded at a nominal amount.

Amortization is provided on capital assets on the straight-line basis over their estimated useful lives as follows:

Buildings25 yearsComputers and software3 yearsFurniture and equipment10 yearsParking lot10 yearsComputers under capital lease3 years

Leasehold improvements are depreciated on a straight-line basis over the shorter of the lease or estimated useful life.

Capital assets acquired at an amount under \$5,000 are not capitalized but are charged to the statement of revenues and expenses in the year of acquisition.

Assets under construction are not amortized until the capital assets are substantially completed and ready for use.

March 31, 2023

Capital Leases

Leases purchased that transfer substantially all the benefits and risks associated with ownership are recorded as the acquisition of a capital asset and the incurrence of an obligation. The asset is amortized in a manner consistent with assets owned by the organization, and the obligation, including interest thereon, is liquidated over the term of the lease. All other leases are accounted for as operating leases, and the rental cost is expensed as incurred.

Pension Plan

The organization is an employer member of the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The organization has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. The organization records as pension expense the current service cost, amortization of past service costs and interest costs related to the future employer contributions to the Plan for past employee service.

Compensated Absences

The organization provides short term sick leave income security benefits to certain employee groups. Management prepares the estimate for the cost of this employment benefit outstanding at the end of the fiscal year. No discount rate is applied to these costs as they will be paid out within the year.

Contributed Services

The organization is dependent on the voluntary services of many individuals. Since these services are not normally purchased by the organization and because of the difficulty in estimating their fair market value, these services are not recorded in these financial statements.

In-Kind Contributions

Contributions of materials are recognized in the period they are donated at their fair market value when a fair value can be reasonably estimated and when the materials are used in the normal course of operations and would otherwise have been purchased.

Allocation of Expenses

The organization operates a variety of programs. The costs of each of these programs are included in the overall expenses of the organization in the statement of revenues and expenses. In addition, the subsidies and expenses of the individual programs are detailed in the schedules of the financial statements. The organization incurs a number of central administrative expenses that are common to the administration of the organization and each of its programs. The organization allocates central administration expenses to the programs on a pro rata basis based on budgeted amounts.

1. Cash

The organization's bank accounts are held at a chartered bank. The bank accounts earn interest at a variable rate dependent on the monthly minimum balances.

2. Capital Assets		2023		2022
		2023		2022
	 Cost	Accumulated Amortization	Cost	Accumulated Amortization
Land	\$ 1,176,051 \$	- \$	1,176,050 \$	-
Buildings	8,023,469	5,007,139	8,001,127	4,686,201
Computers and software	1,438,438	1,417,029	2,361,701	2,353,540
Leasehold improvements	11,901	7,141	11,901	4,760
Parking lot	294,099	228,874	280,847	199,466
Furniture and equipment	210,684	49,002	130,891	27,933
Computers under capital lease	631,744	342,206	394,974	329,161
Assets under construction	 299,940	-	124,366	
	\$ 12,086,326 \$	7,051,391 \$	12,481,857 \$	7,601,061
Net book value	\$	5,034,935	\$	4,880,796

During the year, the organization purchased capital assets with a total cost of \$753,510 (2022 - \$199,755). Of this total \$434,307 (2022 - \$NIL) was acquired by means of a capital lease and \$319,203 (2022 - \$199,755) was paid in cash.

During the year, the organization continued planning for the construction of the new building located at 137 Pine Street, Bracebridge. The total budgeted costs for this project are estimated to be \$3,000,000. During the year, capital assets related to this project were acquired, but the building was not ready for use as of March 31, 2023. These assets have been included in assets under construction above and have not been amortized in the period.

Included in the amortization expense of capital assets in the statement of revenues and expenses is amortization expense on capital leases of \$210,581 (2022 - \$65,812).

During the year, the organization disposed of capital assets costing \$1,149,041 (2022 - \$851,097) for proceeds of \$NIL (2022 - \$NIL) resulting in a gain of \$NIL (2022 - \$NIL) reported in the statement of revenues and expenses.

3. Bank Indebtedness

The organization has a revolving operating loan facility with the Royal Bank of Canada with an authorized limit of \$2,000,000 and interest at the bank's prime rate plus 0.75%. The balance outstanding related to this credit facility as at March 31, 2023, is \$NIL (2022 - \$NIL). All the RBC credit facilities (see note 8) are secured by a first ranking security interest on all property of the organization, including a collateral mortgage of \$6,100,000 on property located at 60 Bell Farm Road, Barrie, Ontario.

4. Accounts Payable and Accrued Liabilities

		2023	2022
Trade accounts payable	\$	1,861,913 \$	2,074,537
Salary and benefits accrual		1,035,656	830,915
Vacation accrual		1,941,224	1,932,900
Universal childcare benefit for RESP's		463,742	517,653
	<u>\$</u>	5,302,535 \$	5,356,005

5. Deferred Revenue

This amount represents funding received from various government agencies for programs administered by Simcoe Muskoka Child, Youth and Family Services. The funds are to be used to offset future expenses incurred by the organization related to these specific programs.

6. Deferred Contributions Related to Capital Assets

Deferred contributions represent the unamortized amount of grants received to be used in the purchase of certain assets. The amortization of these contributions is recorded as revenue in the statement of revenues and expenses.

	 2023	2022
Balance, beginning of year Contributions received from the Province of Ontario	\$ 1,268,692 \$ 577,935	1,398,475 75,390
Amounts amortized to revenue	 (337,742)	(205,173)
	\$ 1,508,885 \$	1,268,692

Included above in contributions was \$111,895 (2022 - \$NIL) received from the Ministry of Health for capital projects as Minor Capital funding, and \$NIL (2022 - \$24,271) received from the Ministry of Children, Community and Social Services specifically for capital projects as Partner Facility Renewal funding.

7. Trusts Under Administration

Simcoe Muskoka Child, Youth and Family Services administers registered education savings plans (RESP's) with funds equivalent to the June 2016 Federal Universal Child Care Benefit for children who are Extended Society Care, Interim Society Care and Formal Customary Care for at least twelve consecutive months, or youth under the Voluntary Youth Services Agreement who choose to have a RESP set up. The organization is responsible for maintaining the RESP on behalf of the beneficiary until the criteria as stated by the Ministry of Children, Community and Social Services are met. As of March 31, 2023, the RESP balance administered by Simcoe Muskoka Child, Youth and Family Services is \$2,901,739 (2022 - \$2,782,256).

8.

Long-Term Debt			
		2023	2022
Royal Bank of Canada bankers' acceptance payable, interest at a variable rate set quarterly (14.925% March 31, 2023, 2022 - 2.098%) and paid monthly, repayable in quarterly principal installments of varying amounts (average of \$96,750 per quarter in 2023, 2022 - \$92,000), secured by a collateral mortgage on the Barrie land and building and assignment of all rental revenue from the Barrie building tenants, due November 2, 2026 (see note 11)	\$	1,625,000 \$	2,012,000
building tenants, due November 2, 2026 (see note 11)	Þ	1,625,000 \$	2,012,000
Royal Bank of Canada term loan, 3.87%, repayable in monthly installments of \$4,442 including principal and interest,			
due October 24, 2024		81,784	130,883
Less current portion due within one year		1,706,784 (456,021)	2,142,883 (436,099)
	\$	1,250,763 \$	1,706,784
Scheduled principal payments for subsequent years are as follows:		2024 \$ 2025 2026 2027	456,021 455,763 446,000 349,000
		\$	1,706,784

In addition, to the specific security detailed above, all of the RBC credit facilities (including the operating loan facility detailed in note 3) are secured by a first ranking security interest on all property of the organization, including a collateral mortgage of \$6,100,000 on the Barrie property.

9.	Obligations Under Capital Lease		2023	2022
	Capital lease, interest bearing at 2.79%, 48 month term, monthly payments of \$4,180 plus HST, principal and interest blended, due December 2022	<u> </u>	- \$	38,645
	principal and interest blended, due December 2022	Ψ	- ψ	30,043
	Capital lease, interest bearing at 2.05%, 48 month term, monthly payments of \$4,118 plus HST,			
	principal and interest blended, due April 2024		54,984	105,018
	Capital lease, interest bearing at 6.89%, 60 month term,			
	monthly payments of \$1,569 plus HST,			
	principal and interest blended, due September 2027		75,541	-
	Capital lease, interest bearing at 7.59%, 48 month term,			
	monthly payments of \$4,570 plus HST,			
	principal and interest blended, due January 2027		189,055	-
	Capital lease, interest bearing at 5.45%, 60 month term, monthly payments of \$2,812 plus HST,			
	principal and interest blended, due January 2028		148,754	
			468,334	143,663
	Current portion		(137,358)	(88,322)
		\$	330,976 \$	55,341
	Future minimum lease payments under the capital lease for			
	subsequent years are as follows:		2024 \$	163,003
	,		2025	115,921
			2026	111,641
			2027	102,141
			2028	39,014
				531,720
	Less: imputed interest			(63,386)
			\$	468,334

The balance of the obligations under capital leases are secured by a first charge over the rental equipment. Interest expense on these obligations in the amount of \$5,954 (2022 - \$4,534) has been included in interest on long-term debt for the year.

10. Compensated Absences Liability

The organization provides to certain employee groups paid short term sick leave for disability as a result of non-occupational accident or illness. This benefit is available to these employees after 3 months of employment up to a maximum of 17 weeks based on years of service and paid out at the salary in effect at the time of usage. These days do not vest or accumulate and are available immediately based on eligibility and years of service. The estimate of the benefit liability as at March 31, 2023, was prepared by management. The estimate is based on the short-term disability entitlement remaining for employees currently on short term disability as of the end of the year. No discount rate has been applied due to the liability expecting to be realized within a year.

The following table outlines the components of the organization's compensated absences liability.

	 2023	2022
Accrued benefit liability, beginning of year Current year benefit cost Benefits paid	\$ 53,521 \$ 797,783 (772,661)	96,084 679,902 (722,465)
Accrued benefit liability, end of year	\$ 78,643 \$	53,521

11. Derivative Financial Instrument

Simcoe Muskoka Child, Youth and Family Services has entered into an interest rate swap contract to fix the long-term interest rate associated with its Royal Bank of Canada Bankers' Acceptance payable. The contract calls for the organization to pay interest on the outstanding principal amount at a rate of 4.83% and in turn the organization earns interest on the same principal at a variable rate set quarterly based on Bankers' Acceptance rates. As at March 31, 2023, the fair value of the interest rate swap is a liability of \$23,048 (2022 - \$823,570).

The following table presents the maturity schedule of the organization's derivative outstanding at year end, based on the notional value of the contract.

Year of Maturit	:y	Pay
2024	\$	405,000
2025		425,000
2026		446,000
2027		349,000
	\$	1,625,000

12. Internally Restricted Information Services Bureau Surplus

The balance represents the accumulated excess of revenues over expenses for the operations of the Information Services Bureau. The Board approved these funds to be used for the extended care maintenance expenses for individuals aged 21 to 24 completing post-secondary education. For the year ended March 31, 2023, \$NIL (2022 - \$NIL) has been transferred from this fund to unrestricted net deficit related to these expenses.

13. Commitments

The organization has entered into lease commitments for office space at its various locations which extend to the year 2026. The following are the minimum payments required for the next three years under the terms of the leases:

2024	\$ 199,259
2025	94,488
2026	 2,501
	\$ 296,248

14. Contingencies

- (a) The organization receives funding from the Ministry of Children, Community and Social Services. The amount of funding provided to the organization is subject to final review and approval by the Ministry. Any future adjustments required as a result of this review will be accounted for at that time.
- (b) During the normal course of operations, various proceedings and claims are filed against the organization. The organization reviews the validity of these claims and proceedings and management believes any settlement would be adequately covered by its insurance policies and would not have a material effect on the financial position or future results of operations of the organization. Accordingly, no provision has been made in these financial statements for any liability that may result. Any losses will be recorded in the year of settlement.

15. Economic Dependence

Simcoe Muskoka Child, Youth and Family Services received 89% (2022 - 89%) of its revenue from the Ministry of Children, Community and Social Services.

16. Accumulated Deficit Funding

During the year, Simcoe Muskoka Child, Youth and Family Services received \$67,170 (2022 - \$370,898) from the Ministry of Children, Community and Social Services related to the child welfare operating accumulated deficit assistance program. The funds were used towards clearing the previous child welfare accumulated deficit.

17. Pension Plan

The organization makes contributions to the Ontario Municipal Employees Retirement Fund ("OMERS"), which is a multi-employer pension plan. The plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. OMERS provides pension services to over 500,000 active and retired members and approximately 1,000 employers.

Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the "Plan") by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2022. The results of this valuation disclosed total actuarial liabilities of \$130,306 million (2021 - \$120,796 million) in respect of benefits accrued for service with actuarial assets at that date of \$123,628 million (2021 - \$117,665 million) indicating an actuarial deficit of \$6,678 million (2021 - \$3,131 million). Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the organization does not recognize any share of the OMERS pension surplus or deficit.

Contributions made by the organization to OMERS for 2023 were \$2,725,475 (2022 - \$2,675,420).

18. Financial Instrument Risks

General Objectives, Policies, and Processes

The Board of Directors has overall responsibility for the determination of the organization's risk management objectives and policies and, while retaining ultimate responsibility for them, it has delegated the authority for designing and operating processes that ensure effective implementation of the objectives and policies to the organization's Executive Director.

The organization's financial instruments are exposed to certain financial risks, including credit risk, interest rate risk and liquidity risk.

There have been no significant changes from the previous year in the exposure to risk, policies, or procedures used to manage financial instrument risks.

Interest Rate Risk

The organization is exposed to interest rate risk arising from the possibility that changes in interest rates will affect the fair value of the term loan and bankers' acceptance payable. The organization's objective is to minimize interest rate risk by locking in fixed rates using its interest rate swap (see note 11).

Credit Risk

The organization is exposed to credit risk through the possibility of non-collection of its accounts receivable. The majority of the organization's receivables are from government entities and other not-for-profit organizations which minimizes the risk of non-collection. The organization also makes sure it meets all the eligibility criteria for the amounts to ensure they will collect the amounts outstanding from the government entities. The organization measures impairment based on how long the amounts have been outstanding.

18. Financial Instrument Risks (continued)

The amounts outstanding at year end, which is the organization's maximum exposure to credit risk related to accounts receivable, is as follows:

	 Current	31 - 60 days	61 - 90 days	91 days and over
Accounts receivable	\$ 196,926 \$	2,081 \$	887 \$	564
Government receivables	298,875	-	-	-
HST receivable	416,438	-	-	-
Other receivables	 2,442	-	-	
Total receivables	\$ 914,681 \$	2,081 \$	887 \$	564

Liquidity Risk

Liquidity risk is the risk that the organization will not be able to meet its financial obligations as they come due. The organization mitigates this risk by monitoring cash activities. The following table sets out the contractual maturities of financial liabilities:

	 Current	31-60 days	61-90 days	91 days and over
Accounts payable Other payables	\$ 1,352,678 \$ 3,440,622	503,213 \$	1,280 \$ -	4,742 -
Total financial liabilities	\$ 4,793,300 \$	503,213 \$	1,280 \$	4,742

19. Dnaagdawenmag Binnoojiyag Child and Family Services

An intra-jurisdictional agency protocol dated February 22, 2019, between a new agency, Dnaagdawenmag Binnoojiyag Child and Family Services (DBCFS), and Simcoe Muskoka Child, Youth and Family Services came into effect in Fiscal 2019. Under the protocol, DBCFS now provides services to indigenous persons and non-indigenous persons within a First Nation as outlined in the protocol agreement, who would otherwise be serviced by Simcoe Muskoka Child, Youth and Family Services' jurisdiction.

Since fiscal 2020, the transfer of these services to the new agency has resulted in a reduction of youth and family services provided to indigenous people by the Simcoe Muskoka Child, Youth and Family Services. These service reductions will continue to occur over the next few years as Dnaagdawenmag Binnoojiyag Child and Family Services continues to increase the services they are able to provide. Simcoe Muskoka Child, Youth and Family Services continues to provide some services to Dnaagdawenmag Binnoojiyag Child and Family Services and bills for the cost of these services.
