OUR STORY

Successful applicants in this youth program will generally support 1 child/youth with complex needs (with the exception possibly made for siblings) having an individualized treatment/care plan, guided by a multidisciplinary team, while enabling the child/youth to remain connected to their family, kin, and community.

WHY APPLY?

Our goal is to offer a temporary home for youth to remain in their local community while supporting the youth and their family to meet the youth's needs with a plan for family reunification. If you want to make a difference in the life of youth/family in your local community, please reach out to us

IS THIS YOU?

If you have keen interest and passion for working with young people and experience with children/youth with complex needs and want to make a difference in the lives of children/youth we serve, we are looking to speak to you!
